Lipreading classes are FREE

for everyone with a hearing loss. * £5 registration fee will apply.

Lipreading classes provide :

information about services, support and equipment.

Lipreading classes provide :

information about the human ear and hearing aids.

Lipreading classes provide:

advice about tactics to help yourself in situations that can be difficult.

Lipreading classes provide:

“deaf awareness” information so that you know the best ways for other people to help you.

Lipreading classes are for Adults, from 16 to any age, who learned to speak before their hearing was affected.

Lipreading classes are for people who UNDERSTAND what it's like to have to say “Pardon? I didn't quite catch that.”

Our courses are taught to a structured syllabus offering Level 1 (beginners), normally for a two year period and Level 2 (advanced) for one year.

We encourage our students to join their local Hard of Hearing groups or other clubs and associations and put their skills into practice whenever they can.

Classes also offer advice and information of how to cope with hearing loss and teach about environmental equipment, such as **amplifying telephones and TV induction loop systems**

Our teachers are friendly, qualified and experienced
